Education and Qualifications:

As a businesswoman, parent, attorney, former mayor and planning commissioner, I have made our community a priority.

My focus remains on enhancing our quality of life with the top priorities we shared before COVID-19. I am sensitive to balancing community needs with individual rights. I will continue to build upon our successes in maintaining government responsiveness and transparency; ensure balanced budgets and fiscal sustainability; reduce traffic congestion and improve street safety for pedestrians and bicyclists; preserve and enhance parks, public and open spaces; create affordable housing opportunities; promote economic development; invest in critical infrastructure and modernize community buildings, sewers and local streets; and deepen partnerships with our neighborhoods and schools.

My experience will help us proactively work to mitigate the immediate and long term impacts of Covid-19 on the city and our cherished lifestyle. We must remain a strong community and work together like never before to keep our families and neighbors safe with skilled law enforcement, supported first responders and robust fire services. I'm working daily with city staff, first-responders, city council and the county to keep essential city services operating and protecting our small business community.

Belmont has been my family's home for over 15 years. I've raised my daughter to appreciate our unique combination of community, the natural world around us and the power of community collaboration. I am running for re-election to continue representing all Belmont residents and neighborhoods in a positive, open and effective manner, balancing our respect for the past with the constant need to evolve and innovate for a vibrant future.

I am honored to have the support of Congresswomen Jackie Speier and Anna Eshoo, State Senator Jerry Hill and State Assemblymen Kevin Mullin and Marc Berman. My endorsers also include county supervisors Slocum, Groom, Pine, Horsley, and Canepa, Belmont Mayor Warren Lieberman, Councilmembers Mates and Stone, former Belmont mayors, and many other community leaders and Belmont residents.

If re-elected, I will continue representing Belmont with integrity, engage all voices, listen carefully, respect all opinions, and work hard to represent you, your family, and your neighbors at City Hall. Learn more at www.DavinaForBelmont.com.
